Call: 800-318-2596

BENEFITS OF THE AFFORDABLE CARE ACT

- ▶ Receive tax credits to help afford quality coverage
- ▶ Won't be denied coverage due to pre-existing conditions
- ▶ Won't be charged more because of health status or gender
- ▶ Get preventive care with no out-of-pocket costs
- ▶ Young adults under 26 can join parents' plans
- ▶ Pay less for prescription drugs
- ▶ Guaranteed access for all to preventive services
- ▶ No lifetime limits on coverage

OFFICE OF U.S. SENATOR TAMMY BALDWIN

HOW THE AFFORDABLE CARE ACT IS WORKING FOR WISCONSIN

- ▶ More than **497,000 uninsured** Wisconsinites are eligible to enroll in the new health insurance marketplace
- ▶ Wisconsinites will choose from an average of **97 affordable health plans** on the new marketplace.
- ▶ **2,489,279 Wisconsinites with a pre-existing health condition** won't be denied coverage anymore.
- ▶ Nearly **968,000 women in Wisconsin** will now have guaranteed access to additional preventive services without cost-sharing
- ▶ Wisconsin seniors on Medicare have saved **\$125 million on prescription drugs** because of the Affordable Care Act.
- ▶ Wisconsinites have received more than **\$3,567,932 in rebates** from insurers — an average of \$46.00 per family
